DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The examiner would like to make the Sangwan et al. prior art reference of record as it became available. The reference teaches 4,5-dihydropyrazoles that are related to claimed subject matter, specifically the compounds of Table 1 on page 68. The claims remain under final rejection.

/Robert Havlin/
Examiner, Art Unit 1626
